CERTIFICATION

TO ALL WHOM THIS MAY CONCERN:

This is to certify that as per inspection conducted by our team of geologists at the mine site of GENLUICHING MINING CORPORATION located at Tagbinonga, Mati City, Davao Oriental, Philippines, we can conclude that the mineral deposits found in the area is of **High Quality** suitable for processing in our facilities.

This certifies further, that the operation of our processing plant was discontinued due to lack of stable source of minerals to be processed for economic benefits awaiting for supply from third party.

Furthermore, we certify that we will resume and cater the processing of minerals from GENLUICHING MINING CORPORATION via TOLLING AGREEMENT that both parties have signed.

This certificate is issued to the above-mentioned party this 24th day of March 2021 for whatever legal purposes this may serve best to them.
